ANNOUNCEMENT **WORMS ARTISTIC CYCLING CUP**

VfH Worms e.V.

Saturday, 03. May 2025

Sporthalle des Bildungszentrum (BIZ),

Von-Steuben-Str. 31, 67549 Worms

(Surface-elastic PVC-floor)

Three competition courts and three training areas

QUALIFICATION

Internationally open, all disciplines and age groups of the international regulations. This is a competition of clubs with three starts per team of the club. In case of double starts, the starts are not simultaneous. There is no individual evaluation. The club must form teams of three starts each. **Since each start need not be at the same time, double starts of an individual athlete are possible with the club team.** "Double start" means that an athlete may start in **different** disciplines within the same club team. For reasons of fairness, only genuine club teams will come in the official evaluation. Interest groups can be formed by the organizer as needed. The right to decide on placement and order of starts is reserved by the organizer. In all team disciplines, "open" teams start in the male category. All Act4 and Unicycl. 4 teams (all female and mixed) will get the same factor. The resulting point score will be multiplied with factors and added to compute the score of the club's team. To achieve equal chances for all disciplines the following multiplication factors are used (Derived from German Championships 2024, European Championship and World Championship 2024; Malus: Double Pupils Open Cl -0,5 and Unicl. 6 Pupils -0,1):

Discipline	Men Open Cl.	Women	Juniors Open Cl.	Juniors Female	Pupils Open Cl.	Pupils Female
